Subject: Mom going crazy

Date: Wed, Jan 18, 2017 5:14 pm

Dad, she just tried to take conrad's laptop and then were pretty sure she rolled on it and cracked it. Then when Conrad went to our room to hide his laptop, she took his \$40 headphones and also out phone. Then she ran to the neighbor's house, and locked out. Now the neighbors that live in that house, came to here (house with her) and tried to come in.
